

Hawai'i Directory of Public Officials 2016

Message from the Hawaii Institute for Public Affairs

Aloha!

The Hawaii Institute for Public Affairs (HIPA) is proud to publish the 2016 Directory of Public Officials. For the past several years, HIPA has undertaken this community service project with its numerous partners to facilitate public participation in the legislative process. We hope you find that the directory proves useful in engaging both elected and appointed officials of federal state, and county governments.

Founded in 2001, HIPA is Hawaii's leading independent public policy institute, and has provided research and recommendations on the most pressing public policy issues facing Hawaii. Through our work on issues, such as modernizing our public schools, investing in public infrastructure, and determining the cost of affordable housing, HIPA has provided the blueprint to bring about meaningful change in Hawaii.

We are grateful for **Bank of Hawaii**, the **Chamber of Commerce of Hawaii**, **ʻŌlelo Community Media**, **Service Printers Hawaii**, and **University of Hawaii Professional Assembly** our co-sponsors of this year's directory. Each organization's commitment to public information and participation is embodied in this community service project.

We also want to thank the wonderful staff of the Public Access Room, Room 401 at the State Capitol. They have willingly agreed to be the main distribution point again this year. This is proving to be a major improvement in getting this Directory out as quickly as possible. Please tell your friends.

Sincerely,

A handwritten signature in black ink, which appears to read "Jeanne Schultz Afu'ai". The signature is fluid and cursive, written over the printed name and title.

Jeanne Schultz Afu'ai
